

## CAMSO AND VERSATILE DRIVING FARMING FORWARD

Everyday, we ask ourselves: "Is there a better way to drive farming forward?" We believe there is – by providing mobility solutions to help you get the job done.

At Camso, we do it by developing and manufacturing the broadest range of tracks for all farming applications. Camso tracks increase mobility and flotation, and reduce soil compaction.

## CAMSO AG 6500 POSITIVE DRIVE

**Unmatched industry proven performance, durability and reliability**

Drive lugs engineered with patented internal reinforcement technology for the most demanding applications such as scraper, ripper and heavy tillage. It will last you at least an extra season of work and will out-perform any other track on the market. Best track life available, reducing cost per hour by an average of 30%.

### PERFORMANCE

DURABILITY

TRACTION

FLOTATION

### High-grade rubber compounds

Maximizes performance and durability

- Specifically engineered compounds for treads, carcass and guide lugs

### Tread bar

Provides optimal traction and ride quality

- Balance between traction, cleanout and flotation

### Longest lasting carcass

No material displacement during the manufacturing and curing process means:

- Track compound types located exactly where you need it
- Uniform tension distribution, eliminating downtime due to carcass tear

### Optimized drive lugs

Allows for maximum power transfer

- Drive lug geometry designed specifically for DeltaTrack

**6500** *Patented with unique internal reinforcement adds an extra season of work*

## CAMSO AG 3500 POSITIVE DRIVE

**The industry standard track made to last**

When it comes to general AG applications, the Camso AG 3500 will provide good balance between reliability, quality and price.

### PERFORMANCE

DURABILITY

TRACTION

FLOTATION

From field preparation to planting, harvesting and transport, Camso tracks help maximize your work while lowering your operating costs.

**OUR TRACKS ARE THE APPROVED CHOICE OF OEM'S, ARE ENDORSED BY DEALERS AND RECOGNIZED BY FARMERS.**

**Warranty:** Camso is the industry standard for warranty coverage on Agricultural tracks. Tracks are warranted against defects in materials and workmanship, and prorated based on both time and usage, so customers receive fair value on warranty replacement tracks. Some conditions apply. Refer to the warranty certificate for details.
